We may also share your PHI from time-to-time with another dentist or health care provider (e.g., a specialist or laboratory) who, at the request of your dentist, becomes involved in your care by providing assistance with your health care diagnosis or treatment to your dentist.

We may also share your PHI with people outside of our practice that may provide dental care for you.

We may use and disclose your PHI to obtain payment for services. We may provide your PHI to others in order to bill or collect payment for services. There may be services for which we share information with your dental plan to determine if the service will be paid for.

PHI may be shared with the following:
